## Coffee Filter Flowers

### Tips

- 2-day project
- Recommended for ages 6-8, 9-12
- These make wonderful gifts!

### Materials

- Coffee filters
- Pipe cleaners
- Markers
- Spray bottle with water

### Directions Day #1

- Color the coffee filters with markers
- Spray the filter with the water bottle
- Let dry

### Directions Day #2

- Fold the coffee filter in half. Find the center of the filter. Wrap a pipe cleaner around the center to make a stem
- Fluff out your filter as desired
- Add more filters to make a fuller flower
